## TESTIMONIAL

“ *The La Roche College campus offers a convenient ‘home’ for our seminars. The Consortium Ethics Program (CEP) is an ethics education network with members from all over western Pennsylvania. La Roche is easily accessible from the PA Turnpike and Route 19 with convenient parking. A variety of choices in classroom/meeting room size accommodate our varying needs. The food is delicious and service is excellent. The conference staff at La Roche are trained professionals who are outstanding to work with. They have gone ‘above and beyond’ to address our needs and satisfy any special requests that we might have. For a ‘member-supported’ education network, cost is always an issue for the CEP. La Roche College is within our means and adds value to our program!* ”

“ *The Northern Area Gifted Consortium held its annual Mock Trial at La Roche College, where approximately 10 different schools from the northern area participated in this year. La Roche has graciously allowed us to use their facilities over the past five years. This event would not be successful without the use of La Roche and its facilities and wonderful staff. The ease in coordinating our event at La Roche with Linda and Colleen has always run smoothly and without any problems. We found La Roche to be extremely easy and flexible to work with in scheduling. The staff has always been readily available to assist us with our needs when holding an event! We will definitely be back for another year!* ”
