(Spring Semester Courses Only)

Application/Registration.....January 5 - March 1, 2026

All Approval Processes & Final Payment Deadline.....April 1, 2026

FACTS

- The Scholar Program is a concurrent enrollment partnership between La Roche University and a number of Western Pennsylvania high schools.
- Since 1995, Scholar has enabled qualified sophomore, junior, and senior high school students to earn credits toward a college degree.
- The greatest benefit of this program is that students can take college-level courses within their own high school classrooms. As a partner high school, your teachers are part of the Scholar Program and have been approved by La Roche University to teach at the college level.
- The cost of a three- or four-credit course is only \$251, significantly less than typical college or university tuition, which allows you to save money.
- Students who successfully complete one or more Scholar courses and are recommended by their Scholar high school teacher or guidance counselor are eligible for a \$1,000 scholarship if choosing to continue their education with La Roche University upon graduation. This scholarship is applied to the freshman year tuition at La Roche University and is added to any need or merit-based aid that the student may receive. Additional awards may be available. Students should inquire with Freshman Admissions at the time of application.

FAQ'S

BENEFITS

What is the benefit of participating in the Scholar Program?

Participating in the Scholar Program allows you to earn college credits from La Roche University at a significantly reduced cost compared to traditional undergraduate tuition, potentially leading to substantial savings and an earlier degree completion.

ENROLLMENT

What are the requirements to participate in the Scholar Program?

To enroll in Scholar, you must meet the following criteria:

- Be a sophomore, junior, or senior student enrolled in an eligible aligned high school course.
- Hold a minimum grade point average of 3.0 (or higher) at the time of enrollment.
- Receive recommendation and approval from your Scholar partnered teacher or liaison.

How do I enroll in a Scholar course?

Eligible high school students can register for classes online on Scholar's enrollment site (<https://laroche.dualenroll.com>) during the application period of the appropriate enrollment period. All remaining steps of high school enrollment approval, parental consent and payment must be completed by the final payment deadline.

All required fields within the online application process must be completed accurately, electronic approvals provided by your high school and parent/guardian, and payment made by e-check or credit card by the end of the enrollment period to be officially enrolled to earn credit at La Roche University. Retroactive registration is not permitted.

Disputed payments, typos or incorrect checking account or routing numbers will cause payments to fail and result in enrollment issues. Therefore, parents are asked to please enter payment information carefully.

Tuition is \$251 per course. A small convenience fee is charged by the credit card processor, if that is the chosen method of payment. There is no fee associated with paying by e-check.

How many Scholar courses can I take each year?

You may take up to three (3) Scholar courses each year, and earn up to a maximum of 27-30 credits through the program, depending on the number of offerings available at your partnered high school, credits per course, and years enrolled in the Scholar Program.

What if I change my mind and decide I do not want to participate in the Scholar Program?

If the electronic approval and payment processes within your DualEnroll.com account have not been completed in their entirety by the end of the enrollment period, your registration will be automatically abandoned. You can stop the process at any time prior to completion of the payment step by selecting the abandon option in the ellipsis menu beside the course registration in your DualEnroll.com account.

Once registered, if you do not fulfill all of the requirements for earning college credit, a grade of "NC" (No Credit) will be posted to your academic record. There are no refunds associated with non-completed courses.

GRADES

Who gives the final grade?

Final grades for Scholar courses are awarded by the partnered high school teachers, collected at the end of each academic year. Upon successful completion of a Scholar course, your teacher will submit your grade earned to La Roche University according to a letter grade system.

TRANSCRIPTS

How can I request a copy of my academic transcript from La Roche University to transfer Scholar credits?

La Roche University uses the National Student Clearinghouse for all academic transcript requests. To order transcripts for yourself or to be sent to another institution, go to www.getmytranscript.com. A small fee applies.

If you are enrolled in (or recently completed) current year Scholar courses, please be sure to select the option to hold the order until final grades have been posted.

If you have any questions regarding transcripts, please contact the Registrar's Office at registrar@laroche.edu or 412-536-1080.

Can you provide a list of colleges and universities that accept La Roche University Scholar Program credits?

We cannot provide a specific list of colleges and universities will accept dual enrollment credits in transfer, but have found most Scholar courses to be transferable as academic core courses or general electives, depending on the program guide (planned curriculum) associated with each major.

As with any transfer between institutions, credit acceptance depends on the receiving institution's policies, the student's intended major, and their grades. You should consult with the admissions office of your school(s) of interest to inquire about their specific transfer policies.

Where can I find more information about the Scholar Program?

More detailed information is provided in the Scholar Student Handbook, found at www.laroche.edu/scholar, along with other helpful resources. Contact scholar@laroche.edu, 412-536-1286, or 412-536-1083 for assistance or with questions.
