COMMUNITY COLLEGE OF ALLEGHENY COUNTY – A.S. IN ACCOUNTING LA ROCHE UNIVERSITY – B.S. IN FINANCE

ADDITIONAL INFORMATION

1. Each institution will determine the satisfaction of their individual program and degree requirements. Both institutions agree to accept transferrable courses from each other and from other regionally accredited institutions.
2. Students with an associate degree conferred on their community college transcript will be awarded a waiver of LRU's full Academic Core and will be required to complete only a 9-10 credit abbreviated Academic Core to include: ENGL1011, ENGL1012 and Quantitative Methods. These courses may be transferred from the community college; however, a waiver or placement exemption at the community college will not fulfill the requirement at LRU.

To receive the abbreviated academic core, students must have an official community college transcript, with the associate degree conferred, sent to LRU's Transfer Admissions Office. Students who do not have an associate degree conferred on their community college transcript will be required to satisfy LRU's academic core requirements. The associate degree may be completed after admission to LRU; however, students should inform their advisor or they may be advised to complete additional courses for the academic core program.
3. Only courses with a grade of C or better (2.0 on a 4.0 scale) will be accepted for transfer. Courses offered as non-credit continuing education units, developmental courses (usually numbered below 100-level) and courses graded on a P/F basis without verification of a C or better will not be accepted for transfer.
4. La Roche University acknowledges that some credits earned toward the associate degree at CCAC may have been completed as a result of transfer or prior learning assessment, to include standardized examinations, military coursework or portfolio credit. This agreement maintains that the associate degree will be honored in its entirety. These individual credits are eligible for transfer with an official transcript from the original credit-granting institution, and will be evaluated by La Roche University on a per-course basis.
5. A minimum of 30 credit hours must be completed in LRU courses, and at least 50 percent of the major credits must be completed at LRU. The last 30 credit hours completed before graduation must be completed at LRU. A minimum of 120 credit hours is required for graduation with a bachelor's degree.
6. Students must satisfy all admission requirements at the time of application for admission to LRU, including submitting official transcripts from all previously attended colleges.
7. Students are encouraged to contact LRU's Transfer Admissions Office prior to application. To facilitate advising and the evaluation of transcripts, let us know you intend to follow this agreement so that we can provide information along the way.
