

2022-23 Parent Special Consideration Form

Instructions for Parents:

The formula used to determine eligibility for federal financial aid is based in part on your **2020** income. If you, the parents, have experienced a significant reduction in your **2021 or 2022** income, you may request a review of your student's financial aid file. All requests for further consideration must be fully documented. Priority will be given to students whose parents experience drastic changes in their circumstances. All requests will be reviewed by the Financial Aid Office and the acceptance or denial of this request will be sent under separate cover **within 3 weeks from the date this form is received.**
