BUSINESS GROUP PROGRAM:

Mission Statement: The Business Group at La Roche University fosters a high standard of academic rigor and engagement, professionalism and creativity among the community of scholars who have selected Business as their discipline of study. Students acquire proficiency in all traditional core areas of Business Management as well as their selected area of focus: Accounting, Finance, International Management, Management, Management Information Systems, Marketing, and Supply Chain Management. The Business Group incorporates an interdisciplinary perspective through its professional and liberal education leading to successful, just leaders within a constantly changing global society.

All Business Group programs share the following components:

- A common mission statement (see above)
- A common college core curriculum
- A Common Professional Component (CPC)
- A common assessment process for Institutional Assessment (WEAVE)
- A common assessment process for ACBSP purposes
- A common and interdisciplinary structure which enables dual majors and multiple minors

The programs in the Business Group are accredited by the Accreditation Council for Business Schools and Programs (ACBSP), a leading specialized accreditation association for business education.

REQUIREMENTS: To successfully complete a major within the Business Group, the following coursework is required:

- 48 credits as listed under "Major Component/Requirements" (Business Core)
- _____ credits of Major Requirements (dependent on major)
- _____ credits of Major Electives (dependent on major)
- 9 credits Skills Component (6 credits for Management BA)
- 34 CORE credits
- General Elective Credits
- A minimum number of 120-124 credits (depending on major) are required for degree, the last 30 of which, and 50% of the major, must be earned at La Roche University. (Developmental course work does not count toward the minimum number of required credits for graduation.)

Programs in the Business Group are designed in such a way that most students can dual major, completing a major in Management along with one of the other Business Group majors. Students can also elect to complete a major in Management, along with one or two minors in other business areas. Note: Students who choose the BA in Management are NOT eligible to complete a double major with another Business Group major.
