HUMAN RESOURCES MANAGEMENT—CERTIFICATE PROGRAMS, PROGRAM GUIDE
Department: Graduate Studies and Adult Education

Student Name _____

I.D. Number _____

PURPOSE: Each HRM Certificate consists of 4 HRM courses, totaling 12 credits. In most cases courses are completed within 2 - 3 consecutive semesters. Since all certificate courses form integral components of our highly respected HRM graduate program curriculum, they may be applied towards the full graduate degree, should certificate students wish to continue their graduate studies. HRM Certificate students must complete their particular certificate before advancing to the master's program and should apply for acceptance in the full program during the last semester of completing their certificate requirements.

REQUIREMENTS: To successfully complete a certificate, 12 credits are required.
