Unofficial Eval Completed by/date: _____

This is the **unofficial evaluation** of your credits to date including transfer credits (if applicable) in your chosen major. **This evaluation is official when all official transcripts for all previous college work are received, reviewed, and approved for transferability by the Registrar's Office.** Beginning with your first semester of enrollment, your Degree Audit Report in My.LaRoche will automatically track your progress toward your degree, and guide you in planning future class schedules. Review your updated Degree Audit Report with your advisor prior to registering each semester.

PURPOSE: The 4+1 program was established to create a seamless transition from undergraduate to graduate study. The Master of Science in Accounting offers an advanced level of study in various, specific topics in the accounting profession that do not typically appear at the undergraduate level. Students enrolled in the program will be able to further their professional careers with the knowledge gained from these advanced level courses. Students' successful completion of this program will meet the 150-hour CPA certification requirement.

REQUIREMENTS: To successfully complete the Accounting 4+1 major, the following coursework is required:

- 48 credits as listed under Major Component(Business Core)
- 21 credits of Major Requirements
- 6 credits of Major Electives
- 9 credits Skills Component
- 34 CORE credits
- General Elective Credits (if needed)
- 30 Master's Level Credits
- A minimum number of 150 credits are required for degree, the last 30 of which must be earned at La Roche University. (Developmental course work does not count toward the minimum number of required credits for graduation.)

The Accounting major and the Master of Science in Accounting, programs in the Business Group, are accredited by the Accreditation Council for Business Schools and Programs (ACBSP), a leading, specialized accreditation association for business education.
