Unofficial Eval Completed by/date: \_\_\_\_\_

This is the **unofficial evaluation** of your credits to date including transfer credits (if applicable) in your chosen major. **This evaluation is official when all official transcripts for all previous college work are received and reviewed for transferability by the Registrar's Office AND the Registrar's signature is included.**

**PURPOSE:** The purpose of the Doctorate of Nurse Anesthesia Practice, (DNAP) completion program is to prepare advanced practice nurse anesthetist clinicians and leaders within a practice-oriented doctoral program. Graduates are prepared to assume leadership positions in health care, with the ultimate goals of improving health care and patient outcomes

**REQUIREMENTS:** To successfully complete the Doctor of Nurse Anesthesia major, the following coursework is required:

- 26 credits in Nurse Anesthesia Practice
- Courses follow a well-sequenced rotation and are offered online with low residency (a one-week residency period in the summer). The program is three semesters in length, and classes are offered in a 15-week format. All residency sessions are mandatory.
