Unofficial Evaluation Completed by/date: _____

This is the **unofficial evaluation** of your credits to date including transfer credits (if applicable) in your chosen major. **This evaluation is official when all official transcripts for all previous university work are received; and reviewed and approved for transferability by the Registrar's Office.** Beginning with your first semester of enrollment, your Degree Audit Report in My.LaRoche will automatically track your progress toward your degree, and guide you in planning future class schedules. Review your updated Degree Audit Report with your advisor prior to registering each semester.

PURPOSE: To complete pre-requisites for Phase II of LECOM's Pharmacy program.

REQUIREMENTS: To successfully enter this program, the following conditions must be met:

- SAT/ACT scores are strongly recommended but not required to apply
- High school GPA ≥ 3.0 on a 4.0 scale, unweighted
- US Citizen or lawful permanent resident.
- Must apply to LECOM prior to start of 2nd year for 3+ track and 3rd year for 4+ track.

This is an Early Acceptance Program and is provisional. Phase I consists of pursuing an LRU major. There are two tracks for Phase I: a 3+ and 4+. Students in the 3+ track only spend 3 years in Phase I and must complete at least 75% of their LRU major and have in place a plan for transferring back LECOM pharmacy courses to complete their major prior to entering Phase II.

To successfully enter Phase II, the following pre-requisites (in conjunction with the requirements another LRU major) are required:

- 56 credits (35 Science in Biology, Chemistry, Physics, and Mathematics, and 21 Humanities and non-science coursework).
- No grade lower than a C allowed in the courses listed.
- No CLEP or P/F credits allowed.
- AP scores of 4 or 5 may be accepted for Math and Science courses but a replacement course applicable to the field of pharmacy or a course of similar academic rigor must be taken instead.
- AP scores of 3 or higher may be accepted for English and Behavioral Science courses but a replacement course applicable to the field of pharmacy or a course of similar academic rigor must be taken instead.
- Minimum course load of 14 credits must be taken per semester and semester GPA ≥ 3.0 to remain in program.
- Minimum overall GPA ≥ 3.2 and minimum science GPA ≥ 3.0
- PCAT is optional but highly recommended. If taken, scores must be reported.

In addition, students must attend a minimum of 2 consecutive years at LRU. All students completing Phase I must be approved by the Pre-professional faculty committee to enter Phase II. There are only 5 seats available each year. LECOM has 2 campuses for Phase II: Erie (3-year program) and Bradenton (4-year program). Students apply to either but not both using the PharmCAS application process.
