PURPOSE: The purpose of the Doctor of Nurse Anesthesia Practice Completion program, (DNAP) Completion program is to prepare advanced practice nurse anesthetist clinicians and leaders within a practice-oriented doctoral program. Graduates are prepared to assume leadership positions in health care, with the ultimate goals of improving health care and patient outcomes.

REQUIREMENTS: To successfully complete the Doctor of Nurse Anesthesia Practice Completion program, the following coursework is required:

- 28 credits in the Doctor of Nurse Anesthesia Practice Completion Program
- Courses follow a well-sequenced rotation and are offered online with low residency. The student will attend a mandatory orientation in August, two weeks prior to the start of the fall semester.

NOTE: Students who already possess an active CRNA license, a master's degree and are seeking to complete the coursework for the doctoral degree, are admitted with advanced standing. These students are thus required to complete 28 credits.
